

Century Cement College Alumni Association

Introduction

The Alumni Association of Century Cement College serves as a bridge between former students and the institution. It promotes communication, networking, and collaboration among alumni while contributing to the academic and social development of the college.

Vision

To build a strong and connected alumni network that supports students, encourages professional growth, and contributes to the progress of society.

Mission

- To maintain lifelong relationships among alumni members.
- To organize alumni meets and interactive sessions.
- To support current students through mentorship and career guidance.
- To encourage social responsibility and community participation.

Objectives

- Strengthen alumni engagement with the college.
- Create professional networking opportunities.
- Support educational and cultural activities.
- Promote collaboration between alumni and students.

Activities

- Alumni Reunion Programs
- Career Counseling Sessions
- Guest Lectures and Workshops
- Scholarship and Support Programs
- Social and Cultural Events

Benefits of Joining Alumni Association

- Professional networking opportunities.
- Updates about college activities and events.
- Participation in alumni meets and celebrations.
- Opportunities to mentor students.
- Building lifelong friendships and connections.

Conclusion

Century Cement College Alumni Association plays an important role in preserving memories, inspiring students, and strengthening the institution's legacy through active alumni participation and support.
