

Internal Quality Assurance Cell (IQAC)

About IQAC

The 'Internal Quality Assurance Cell' (IQAC) of **Century Cement College** has been constituted under the chairmanship of the institute's Principal and Head, **Dr. Krishna Kumar Thakur**.

The IQAC is responsible for promoting quality education, academic excellence, and continuous improvement in teaching, learning, research, administration, and student support services. It serves as a catalyst for quality enhancement and ensures the effective implementation of quality assurance practices in the institution.

Objectives

- Promote quality culture in the institution.
- Enhance teaching, learning, and evaluation processes.
- Encourage innovation, research, and best practices.
- Monitor and improve academic and administrative performance.
- Support accreditation and quality assurance initiatives.
- Foster stakeholder participation in institutional development.

Functions

- Develop and implement quality benchmarks.
- Organize academic, research, and quality enhancement activities.
- Collect and analyze feedback from stakeholders.
- Prepare and maintain quality-related documents and reports.
- Promote the use of ICT and innovative teaching practices.
- Coordinate activities for continuous institutional improvement.
